

COVERVIEW™

CONTEMPORARY IN-WALL CAMERA COVER FOR VADDIO'S WALLVIEW™ PTZ CAMERA SYSTEM

Vaddio's CoverVIEW In-Wall Camera Cover was designed to be used with a plasma display or a rear projection screen. The CoverVIEW provides a finished look to your camera installation.

WHAT'S INCLUDED

The Vaddio CoverVIEW includes the following items:

- Plenum rated metal backbox with conduit knockouts
- Adjustable camera mount
- Easy mounting lip on each side of the backbox
- Attractive cover, made of ABS plastic with a clear acrylic non-reflective camera lens
- Two trim clips that conceal the four mounting screws for a finished look
